

**From:** H. G. Bare  
**To:** Microsoft ATR  
**Date:** 1/15/02 2:27pm  
**Subject:** Microsoft Settlement

Please be advised that I strenuously object to any and all further litigation against Micro\$oft in regard to delaying the proposed settlement. I especially object on the grounds that, as a Massachusetts resident, I am now forced to see my state tax dollars spent on useless pursuit of political gain for the incumbent Attorney General, who is only interested in getting free TV air time, not my best interests.

Sincerely,

Heather G. Bare
